

Dear Divya,

Canada has always been my dream destination, and Vancouver was my favourite place. The view was breathtaking. It was so beautiful, clean & green. Right from the people to the flora & fauna, it had all convinced me completely & made me feel that I was close to heaven. I'm seriously at a loss for words to describe my experience.

All this would not have been possible without the help & guidance from you & your colleagues at "DIVA IMMIGRATION SERVICES". Thank you for helping me to get my "Tourist Visa". Your positive approach to all my doubts & queries has always made me feel comfortable.

I would definitely recommend you & your company "DIVA IMMIGRATION SERVICES" to all my friends & relatives who have dreams to be fulfilled but are waiting to meet the right people.

Once again, Thanks A lot, for your help & support.

Warm Regards,
Rachita Kapur
