

Dear Divya Maam,

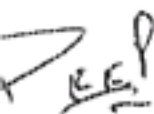

First of all , I Thank You & your Team(specially Ms.Ruby Kochar) for helping me getting the Working Holiday Makers .This happened just because of you & your team,who made me confident & strong for the personal interview.

I would definately recommend ' DIVA IMMIGRATION SERVICES ' to a my friends to fulfill their dreams.

I would say-Diva Immigration Services is different & the best because you are Immigration Lawyers & Not consultants .

Thanks For all your guidance,confidence,support that you & your team showed in my case.

Thanks & Regards
